4. Your Consent

I voluntarily agree to receive clinical services from Prism, which may include immunizations, laboratory testing, physical exams, vitals (BP, pulse, O2, temp, weight), health education, and referrals. **Please read each section below and put your initials on the line next to it. If something is unclear, ask a Prism team member before you sign.**

A. Lab testing & risk disclosure. I consent to sample collection (urine, blood by venous draw or fingerstick, nasopharyngeal swab). Risks: venous draws may cause bruising, infection, or fainting; swabs may cause mild bleeding or discomfort. These tests are SCREENING only, abnormal results must be confirmed by a primary care physician (PCP) for a final diagnosis. HIV and HCV tests can have false positives or false negatives; I am responsible for follow-up care.

B. Immunizations. I consent to receive age-appropriate vaccines recommended by the CDC. I will receive a Vaccine Information Statement (VIS) for each vaccine and understand that no outcome is guaranteed. My immunization data will be shared with the Illinois state registry (I-CARE) to coordinate care.

C. Telehealth follow-up. If any lab is ordered today, I consent to a follow-up visit by phone or video, typically within 3–5 business days.

D. Privacy, data & communications. HIPAA. I acknowledge that I was offered Prism's Notice of Privacy Practices, which explains how my health information may be used and disclosed and my rights regarding it. A paper copy is available at the truck on request, and the current notice can be requested any time. Confidentiality limits, Prism must report: (1) positive HIV or HCV results to public-health authorities; (2) imminent risk of serious harm to self or others; (3) suspected abuse or neglect of a child or elder; (4) immunization records to the state registry (I-CARE). Communications, I consent to calls, texts (SMS), and emails for scheduling and results. Automated messages may apply; I may reply STOP to opt out of texts.

E. Release / hold harmless (event partners). I release and hold harmless the City of Chicago, the Chicago Department of Public Health (CDPH), the Illinois Department of Public Health (IDPH), HFS/Medicaid, and the Prism Foundation and Prism Health entities from any and all claims, losses, or damages arising from my participation in this program, except in cases of willful misconduct.

F. Billing authorization. I authorize Prism Foundation and Prism Health Lab USA Inc. to bill my insurance for services I receive today. I will be clearly notified in advance of any out-of-pocket costs before services are provided or billed. Any patient-responsible amount is due at the time of service or, if Prism invoices me after the time of service, upon receipt of that invoice.

G. Privacy notice. Prism's Notice of Privacy Practices (Effective 06/07/24) explains in detail how your health information may be used, when it may be shared, and your rights to access, correct, restrict, or get an accounting of disclosures. A paper copy is available at the registration desk and from Prism's Privacy Officer.
